

# Association of Environmental & Engineering Geologists

## Student Night

Wednesday June 13th

### Present Your Research and Projects

AEG is an organization that contributes to its members' professional success and the public welfare by providing leadership, advocacy, and applied research in environmental and engineering geology. Each AEG chapter holds regular meetings to provide members opportunities to share advancement in the practice, discuss current affairs and network. The meetings of the Southern California Chapter are typically attended by a variety of practitioners, including consultants, and representatives of government agencies at the City, County and State level.

Membership is **FREE** for students. Membership information can be found at [www.AEGWEB.ORG](http://www.AEGWEB.ORG).

The Southern California Chapter of AEG is providing an opportunity to students to present their research and projects to the local geologic community. The meeting will be held at Victorio's Ristorante in North Hollywood on Wednesday, June 13th. Presenters will receive complimentary meeting attendance, which includes dinner.

We have space for approximately 6-10 students with poster type presentations and 3 or 4 short power-point presentations (about 10 slides).

### How to Sign Up

If you are interested in presenting please send a letter of intent to [AEG.southerncalifornia@gmail.com](mailto:AEG.southerncalifornia@gmail.com), include the topic of your presentation and if you will have a poster or power point, if you can do either a poster or power point please indicate your preference.

Finalized abstracts will be due by May 15<sup>th</sup>, these will be used in our advertising the meeting.

The power points will need to be delivered electronically by June 11<sup>th</sup>, so they can be loaded and previewed before the meeting.
